WELCOME,

MHO Partner Labs has teamed up with Eight to Eighty Eyewear to bring you affordable eyewear for all ages. MHO has an extensive inventory of the frames in this catalog and is able to offer you these frames with or without our Exclusive Frame Packages providing you with high-valued eyewear.

We are full-service labs using state-of-the art technology offering digital free-form processing serving the optical community for over 60 years. Our on-site AR Lab is celebrating their 14th year of premium AR coatings including Zeiss and our Granite Hard/Slick AR. Visit our websites to place an order or learn more about our independent labs. As independent labs, we are able to offer you a wide range of services and products including Varilux, Zeiss, SEIKO, Signet Armorlite, Younger and Transitions lenses.

Now we are very excited about our Frames and Frame & Lens Packages and look forward to providing you with exceptional valued eyewear.

Sincerely,

MHO Partner Labs
